

***Faster drilling
than the
original Tek® 5,
with the
same great
performance!***

New!

TEKS® 5.0

APPLICATIONS

- Metal deck to structural steel or bar joist
- Liner panels to structural steel or bar joist
- Clip to structural steel or bar joist
- Accessories to structural steel or bar joist

FEATURES

- Patented drill point improves drilling performance in 1/8" through 1/2" steel
- Engineered for fast drilling and smooth tapping with less effort
- Climaseal finish provides excellent corrosion resistance and lower tapping torque
- Attaches up to .450" of material
- American Manufacturing

Attaches up to .450"
of material

Engineered for fast drilling
and smooth tapping
with less effort

Climaseal finish provides
excellent corrosion resistance
and lower tapping torque

Patented drill point
improves drilling performance
in 1/8" through 1/2" steel

TEKS[®] 5.0

Part No.:	1007000
Description:	12-24 x 1-1/4"
Head Style:	Hex Washer Head
Drill Point:	Teks #5
Drill & Tap Capacity:	.125 - .500
Max Material Attachment:	.450
Box Qty:	4,000

Approvals/Listings: FM (3050495),
ICC-ESR 3270, ICC-ESR 1976
